

# ANTHONY NWINTIRIBU BASINGNAA

P. O. BOX MP 2724, Accra.  
(+233)0548081488 / Ghanaian  
anbasingnaa@gmail.com  
<https://www.linkedin.com/in/anthony-basingnaa/>

## EDUCATION

**Ashesi University**  
**BSc. Computer Science**

**Berekuso, Eastern Region**  
**August 2018 - July 2022**

**Ghana Christian International High School**  
**Science (\*WASSCE)**

**Sota, Accra**  
**September 2015 - July 2018**

## WORK EXPERIENCE

**Junior Applications Developer, Universal Merchant Bank**

**July 2022 - Present**

- Developed the front end of a web application using React that made it easy for users to link their mobile money numbers to their bank accounts.
- Developed an application using React and Node JS that reads a csv file, saves the data to a database, and displays that information on the frontend. Images could also be uploaded and displayed on the application.
- Provided IT support to other departments in the bank to enable them continue to work.

## PROJECTS AND RESEARCH

**TUPs Delivery Service, Freelance**

**August 2023 - September 2023**

- Developed the frontend and some backend functionalities using React and Express of an employee management system.
- Worked with three other developers seamlessly to complete the application within the given time.
- Tested the application to cover all use cases to avoid app crashing bugs.

**CSIS Applied Capstone Project, Ashesi University**

**August 2021 - April 2022**

- Developed an application that aids in student payment validation making the process quick and easier as compared to current methods.
- Conducted research to determine the specifications of the app which made development easier.
- Used research data and development notes to write a research paper documenting the process.

**Leadership Seminar IV: Leadership as Service, Ashesi University**

**August 2020 - December 2020**

- Developed an inventory keeping program using Java for a provisions shop that keeps tracks of products, their prices and their quantity.
- Tested the app during work hours to see things that could be improved.
- Wrote a research paper about the experience and how this service influenced my leadership journey.

**Foundation of Design and Entrepreneurship (II), Ashesi University**

**January 2019 - May 2019**

**Team Member**

- Worked with 11 other teammates on a project aimed at selling affordable grooming services to the Ashesi Campus.
- Got in touch with barbers and signed contracts with them so that they can work on campus.
- Organized and booked grooming sessions for various students on campus.

## CO-CURRICULAR ACTIVITIES

**Ashesi University, Ashesi Student Council Sports Committee**  
**Member**

**January - December 2020**

- Planned and organized sporting a sports day during the January 2020 semester.
- Provided input during meetings and aided in general committee activities.
- Helped other committees during their events to more efficiently carry out the event.

**Ashesi University, Ashesi Basketball Association**  
**Chairperson**

**January 2022 - May 2022**

- Assembled a team that is responsible for running a weekly basketball league within Ashesi resulting in greater turnout for the games.
- Called and headed meetings as and when necessary to address issues, tasks do be done and delegate those tasks so they can be taken care of on time.
- Introduced a female basketball league and got multiple participants to register.
